Cookies

Cookies are typically stored on User's computer's hard drive, which assigns a unique identification to User's computer. **Antares Exchange** also may use cookies stored in emails to help **Antares Exchange** confirm User's receipt of, and response to. **Antares Exchange** also may use service provider(s) who will place cookies on the hard drive of User's computer and will receive information selected by **Antares Exchange** that will provide **Antares Exchange** with information about the way Users and visitors navigate on **antares.exchange**, what products are browsed, and general transaction information.

Information collected from cookies is used by **Antares Exchange** to evaluate the effectiveness of **antares.exchange**, analyze trends, see what difficulties visitors may experience in regards to **antares.exchange**, and administer the platform. This information in general is used to improve the quality of services.

By visiting **antares.exchange** User agrees that **Antares Exchange** may use browser feature known as a "cookie" for the purposes set above.

Uses made of the information

Antares Exchange may use information held about User in the following ways:

- to fulfill the obligations provided by any contracts concluded with User, as well as to provide User with the information, products and services that User requested;
- to verify and check the identity of Users who open and operate accounts in order to prevent fraud, deception and other illegal activities;
- to comply with legal requirements for the legalization (laundering) of proceeds from crime, financing of terrorism and financing the proliferation of weapons of mass destruction
- to notify User of other our products and services, similar to those products or services that User already purchased or information that User searched for;
- to provide User by **Antares Exchange** or by third parties appointed by **Antares Exchange** with information about products or services that User might be interested in. **Antares Exchange** may contact User via electronic means of communication (via e-mail or SMS) to inform about products or services similar to those that were in a previous sale or negotiations. Upon User's consent **Antares Exchange** may allow certain third parties to use User's data for marketing purposes;
- to notify User about changes related to **Antares Exchange's** services;
- to improve **antares.exchange** and to make sure that content is presented on User's computer's operating system the most effective way;
- for administration of **Antares Exchange's** websites and for internal operations, including troubleshooting, data analysis, testing, statistical data collection and for conducting surveys;
- to ensure the security of **antares.exchange**, **Antares Exchange's** services, and User's accounts
- to evaluate and understand the effectiveness of promotional materials that **Antares Exchange** provide to Users, as well as to provide User with the necessary advertising information
- to support, respond and resolve User's complaints and issues related to use of **Antares Exchange's** services and the capabilities of **antares.exchange**

Disclosure of User's Information

- **Antares Exchange** may share User's personal information with any of its subsidiaries and affiliates.
- **Antares Exchange** may share User's information with selected third parties including:
 - Business partners, suppliers and sub-contractors for the performance of any contract **Antares Exchange** enter into with them or User;
 - Antares Exchange will not sell, purchase, provide, exchange or in any other manner disclose Account or Transaction data, or personal information of or about a Cardholder to anyone, except, it's Acquirer, Visa/Mastercard Corporations or in response to valid government demands.
 - Advertisers and advertising networks that require the data to select and serve relevant adverts to User and others. **Antares Exchange** do not disclose information about identifiable individuals to advertisers, but may provide them with aggregate information about users. **Antares Exchange** may also use such aggregate information to help advertisers reach the kind of audience they want to target. **Antares Exchange** may make use of the personal data it have collected to comply with advertisers' demands by displaying their advertisement to that target audience;
 - Analytics and search engine providers that assist **Antares Exchange** in the improvement and optimization of **antares.exchange**.
- **Antares Exchange** may also disclose User's personal data to third parties in the following cases:
 - If **Antares Exchange** sell or buy any business or assets. Personal data of users may be disclosed to a potential buyer or seller;
 - If **Antares Exchange** or all of its assets are purchased by a third party, personal data of users will be transferred as one of the assets;
 - If **Antares Exchange** is required to disclose or transfer personal data of the User in accordance with any applicable laws or within the implementation of decisions of the relevant courts, or **Antares Exchange** is compelled to force users to comply with the terms and conditions of the agreements concluded with **Antares Exchange**; in case it is necessary to protect own rights, own property, to guarantee the safety of **Antares Exchange**, its users or others. This includes the exchange of information with companies and organizations to prevent fraud and reduce the likelihood of default by borrowers in conducting margin transactions.

Security and storage of personal data

Antares Exchange have implemented security measures to ensure the confidentiality of Users personal data and to protect them from loss, misuse, alteration or destruction. Only authorized personnel of **Antares Exchange** have access to User's personal data, and these personnel are required to treat the information as confidential. The security measures in place will, from time to time, be reviewed in line with legal and technical developments.

This site uses SSL or TLS encryption for security reasons and for the protection of the transmission of confidential content, such as the inquiries you send to us as the site operator. You can recognize an encrypted connection in your browser's address line when it changes from "http://" to "https://" and the lock icon is displayed in your browser's address bar.

If SSL or TLS encryption is activated, the data you transfer to us cannot be read by third parties.

The information **Antares Exchange** receive from User can be transferred and stored outside the European Economic Area (EEA). The information about User can be processed by **Antares Exchange** employees or employees of service providers outside the EEA. When storing or otherwise processing information by such third parties outside the EEA, **Antares Exchange** guarantee that such third parties will be notified of **Antares Exchange's** obligations under this Privacy Policy and will enter with them into relations that will impose obligations for them regarding User's personal data, which are at least have level of protection as specified in this Privacy Policy. Such employees, among other things, can process User's requests, payment details and provide technical support. By giving personal data to **Antares Exchange**, User consent to the transfer, storage and processing of such personal data. In its turn, **Antares Exchange** will take all necessary measures to ensure that User's personal data is processed in compliance with the security rules and in accordance with the provisions of this Privacy Policy.

By using Services provided by **Antares Exchange**, User expresses understanding that the transmission of information via the internet is not completely secure. Although **Antares Exchange** undertakes all possible measures to protect User's personal data and uses strict procedures and security features to prevent unauthorized access, it cannot guarantee the security of User's data transmitted to **antares.exchange**, therefore any such transmission committed at User's own risk.

Basis for personal data processing

Antares Exchange collect and process User's personal data only when it have a legitimate reason for such processing. Legal grounds include consent (in cases where User provides it), a contract (in cases where processing is necessary to fulfill the terms and conditions of contracts between User and **Antares Exchange**), compliance with a legal obligations (in cases where **Antares Exchange** is required to request / receive and process as well as to store User's personal data in order to comply with the requirements of applicable laws, for example the laws related to legalization (laundering) of proceeds of crime, financing of terrorism and financing the proliferation of weapons of mass destruction) and legitimate interest (for example, when processing is necessary to protect User or **Antares Exchange** from certain threats (fraud, security, etc.), compliance with the provisions of applicable laws, the proper level of conduct of business (the quality of the services provided, identification of needs, preparation of reports), conclusion and implementation of corporate transactions (sale of participant interests / shares, mergers, acquisitions), etc.).

In cases where the basis for data processing is the consent, User have the right to withdraw it at any time.

User's rights

By contacting **Antares Exchange** you can realize the following rights:

- The right to delete User's data (all or part thereof);
- The right to change or correct User's data, in particular when it is incorrectly stated;
- The right to object or restrict processing of User's data;
- The right to access to User's data and to receive a copy of User's data, which User provided to **Antares Exchange**, in a machine-readable format. Any access request may be subject to a fee to meet **Antares Exchange's** costs in providing User with requested information.

User has the right to prohibit the use his/hers personal data for marketing purposes. Before requesting User's personal information, **Antares Exchange** usually inform User that it is going to use User's data or disclose it to third parties for promotional purposes. User can use the right to prohibit such disclosure by contacting **Antares Exchange** at any time.

The implementation of some of User's rights, depending on the situation, may limit, complicate or completely exclude the possibility of further cooperation between User and **Antares Exchange**.

Antares.exchange may contain active links from / to the websites of partner organizations, advertisers and affiliated companies. If you are following an active link, please note that other websites have their own privacy policies, and we are not responsible for the provisions of these policies. Please review the privacy policies of these sites before sharing your personal information with them.

Information retention period

Antares Exchange will hold User's personal data only for as long as it is necessary for **Antares Exchange** to do so, having regard to the purposes described in this privacy policy and **Antares Exchange's** own legal and regulatory requirements but no less than five years after the relations between **Antares Exchange** and User are cancelled.

Antares Exchange may access User's personal data or retain it for a longer period if it will be subject to an official request or legal obligation, an investigation by the government or an investigation into possible violations of User Agreement, or in other cases to prevent possible harm based on reasonable considerations.

Changes to Privacy policy

Any changes applied to this Privacy policy in the future will be posted on **antares.exchange** and, where appropriate, notified to User by e-mail.
